## RECENT OPERATIONS

By Paul Rardin

The clean up campaign in progress in Pahokee is actually getting some excellent results. VPO sparked the drive and sought cooperation from civic groups and city council. Splendid cooperation has been shown by all groups and citizens. Piles and piles of trash and garbage have been put on the street for the sanitary department to cart off to the dump. The drive is something really worthwhile and should tend to lessen chances for spread of polio.

**POLIO IS DANGEROUS!** In many cases it is fatal. But, tales do get started! For instance, this week, a child in Canal Point was reported suffering from polio and she finally was declared suffering from a severe case of athlete's foot. Rumors. Idle gossip. Loose tongues on men and women—all go to complicate the situation.

Judge Paul D. Barnes of Miami will be the new supreme court justice as a result of Tuesday's voting. He defeated Raleigh Petway 90,000 to 70,000.

State Senator Willard King of Zolfo Springs will replace Eugene Matthews of Starke on the railroad commission. He defeated Fred Brown of Tampa 100,000 to 60,000. Senator King received a handsome majority in Pahokee and Canal Point precincts and carried Palm Beach county by a vote of 1,111 to 898.

Rep. Joe Peoples in Glades county defeated R. Boe. Rep. Elbert Stewart in Hendry county and Rep. W. J. Hendry in Okeechobee county neither had any opposition for re-election. Rep. C. E. Lanier of Highlands was defeated by J. W. Moore of Sebring. Rep. John Burwell of Fort Lauderdale was decisively defeated by George W. Laird for the new state senate seat from Broward county. State Senator Amos Lewis of Marianna was defeated for re-election by C. L. Alford. Sen. James A. Francis retained his seat over the opposition of Bob King of Fort Myers. Volusia will send a new delegation to the legislature—all incumbents being defeated.

## Gold Star Mothers Honored By Rotary

Five gold star mothers were guests of honor yesterday at Memorial services held by the Pahokee Rotary club. Rev. C. A. Moberg was in charge of the ceremony. Mothers who lost sons in the service, and who were honor guests at yesterday's program were: Mrs. E. E. Coleman, Mrs. W. D. Geiger, Mrs. Otto R. Bleech, Mrs. D. A. Howell and Mrs. W. A. Baker.

Rev. Moberg had arranged special music for the occasion. Robert O. Lantz and several members of his band furnished the music. Members of the American Legion and Auxiliary were also guests for the program.

## House To House Is Plan To Raise Cash Community Chest

Officials of the Pahokee-Canal Point Community Chest said this week that donations are lagging and new effort must be expended if the quota is to be met. Officials set \$6,000 as the amount needed to meet charities for the remainder of 1946.

Workers have been busy during the past couple of weeks in an effort to gather in the needed funds but their efforts have met with severe backsets at the hands of the contributing public. Apathy seems to reign during the summer months and the workers have become very much discouraged at times but refuse to give up the job until it is finished.

The idea of the Community Chest is to stop the dozen and one drives that are worked every year. Officials of the Chest state that the one drive each year will be all that is necessary to take care of all necessary charities. Some folks have shelled out the pure cold cash with this in mind, while others have given the Chest the run-around with the remark that they will take care of it later.

Rupert Mock, is assistant treasurer of the chest and you may make your contribution direct to him.

Next Monday morning a group of workers under the direction of the Woman's Club will make a house to house canvass in order that every person in the Pahokee-Canal Point area may have a chance to make a donation. It is hoped that they will be able to (Continued on Page 5)

## Nazarenes To Have Daily Bible School

Daily Vacation Bible school will begin at the Church of the Nazarene in Pahokee on June 26 and continue until July 7. Rev. and Mrs. Luther Shaw of Bethany, Okla., will be the special workers. Members of the church are looking forward to a great time and all boys and girls are invited to attend. The church will announce further plans later.

## Memorial Day Is Subject For Lions

Rev. C. A. Moberg, guest speaker, gave a talk on "The Meaning of Memorial Day" at the Tuesday luncheon meeting of the Pahokee Lions Club.

Gerald Williams and Leo Wroten were welcomed as new members of the club. Rupert Mock gave a report on the Lions State Convention which he and several other local delegates attended in Jacksonville last weekend.

E. A. Jensen, representing the Veterans Progressive Organization, held of the clean-up campaign being sponsored by VPO and asked for the cooperation of the Lions Club. The Lions voted to join wholeheartedly in this campaign and lend financial assistance if necessary.

## Children Of Canal Point School Can Food For Hungry

"Suffer the Little Children," a motion picture depicting the heartbreaking misery of starving children in Europe and China, was shown recently to the children of the Canal Point School by Junior Red Cross Director Henri Barnhart of West Palm Beach.

The poignant scenes unraveled by the film had a sobering effect on the Canal Point children and brought forth the common question, "What can we do to help?"

Mrs. Oliver Hatfield, outstanding leader of the 4-H Girls Club at the Canal Point School, gave the answer. "Children," she said in effect, "nearby your school there are several fields in which hundreds of bushels of fine vegetables such as lima beans and tomatoes are going to waste because marketing conditions make it impossible for the farmers to harvest them. Let us go to the farmers, obtain permission to gather these vegetables, bring them to our school, can them and send them to the hungry and starving children overseas."

This was the answer the children were seeking. W. H. Jones, Lewis Friend and Ray Hawk, local farmers (Continued from page 5)

## Let's Wash Pahokee's Face Is Battle Cry For Clean Up

### Filthy Spots Closed In Colored Quarters

Deputy Hotel Commissioner Tom Grafton closed five filthy restaurants in the colored section of Pahokee yesterday afternoon. He closed 100 rooms that were deemed unfit for human habitation. Owners of 250 more rooms were given until Saturday morning to clean up or an order will be issued for closing these rooms. Several more places serving food were given orders to make certain improvements or a padlock will go on the doors. Mr. Grafton was assisted by Pahokee city officials in the drive to clean up some of the filth that abounds in Pahokee.

## Stuckey Renamed Vegetable Group Head For New Year

L. L. Stuckey of Pahokee was reelected chairman of the Florida Vegetable Committee and Dixon Pearce of Miami vice-chairman at meetings held in Orlando Wednesday.

Other executive committee members and committee directors were also chosen.

Executive committee members elected include Louis Fisher, Pampano; Perry Whitehurst, Sanford; and L. L. Chandler, Goulds.

New directors and alternate directors of the Florida Vegetable Committee named were Fisher; J. A. Ball, Jr., Belle Glade; R. V. Creech, Belle Glade; B. C. Pearce, Palatka; Perry Whitehurst, Sanford; R. L. Garrison, Sarasota; W. J. Whitehurst, Archer; H. H. Hethcox, Umatilla; Paul Dickman, Ruskin; Lucian Thomas, Ft. Myers; A. Duda, Jr., Oviedo; and M. D. McLane, Palmetto; J. Abney Cox, Princeton; Graham W. Lee, Hastings; Dixon Pearce, Miami; J. P. Hartlee, Jr., Palmetto; Clarence G. Tilden, Winter Garden; Allen Markham, Okeechobee; and D. J. Pate, Tampa.

In a determined effort to clean up the dirt and filth that abounds in several places in Pahokee, workers have adopted a new battle cry. It is: "Let's Wash Pahokee's Face." The slogan appeared first on 2,000 circulars circulated throughout the town by members of the Veterans Progressive Organization—the group that is sponsoring the clean up drive.

The circulars carried a message of importance to every citizen of this area. It is a message that would stimulate the clean up drive in an effort to ward off the deadly killer—polio.

The city council of Pahokee is cooperating wholeheartedly with the VPO and all other civic organizations in the clean up drive. The council has provided extra garbage trucks and agreed to stand the expense of spraying the town with DDT. Every effort is being made to get citizens to clean their premises of all trash and filth.

If citizens will clean their premises they will aid materially in preventing the spread of polio. Here are a few simple suggestions:

Avoid new contacts. Try not to mingle with crowds unnecessarily. Watch these symptoms. Headache, unexplained fever, a cold, even upset stomach may be the first symptoms of infantile paralysis.

Call your doctor immediately if any of these symptoms appear. Expert medical care may help prevent crippling.

Remember. Carry on your normal activities. Infantile paralysis cannot be prevented but few of those stricken develop serious illness and, with good care, the majority will make a satisfactory recovery.

Don't worry about expense. If polio strikes, get in touch with the Chapter of the National Foundation for Infantile Paralysis close to your home.

Don't get overtired. Extreme fatigue makes you an easier victim.

Avoid chills. Don't stay too long in cold water.

Keep clean. Wash hands before eating. Keep flies and other insects away from food.

Don't swim in polluted waters. Avoid removal of tonsils or adenoids prior to and during polio epidemic season.

## Black Market Currency

GI certificates for surplus goods are the latest black market currency. The war assets administration is investigating GI use of priorities to acquire goods for speedy resale. Veterans can buy up to \$25,000 worth of property with only the certification of a local WAA office, up to \$50,000 with sanction of a regional surplus administrator. Bigger purchases (except machine tools and planes on which there's no top limit) are checked in Washington.

Although veterans must swear the surpluses are for their own use, WAA says this rule is impossible to enforce. A veteran may "change his mind in a hurry" about going into business after he's bought the property and sell it to hungry dealers.

The FBI and justice department are cracking down on violators. Mainly they're after "big operators" who line up veterans to stooge for them in surplus buying.—Wall Street Journal.

## TOO LATE TO CLASSIFY

(By Russell Kay)

Perry and Taylor County are stepping out thanks to the energetic leadership of a young man with vision and the courage to express himself.

For years, Taylor County has rocked along, satisfied with things as they were, making little effort to encourage progress and development. Then they elected Joe Scales, Jr., president of the Taylor County Chamber of Commerce and things began to happen.

The first thing Joe did was to turn the light from Red to Green. He set about selling Taylor County to Taylor County folks. Issuing a snappy weekly bulletin, he jammed it pack full of interesting, helpful information.

Taylor countians were invited to throw away their hammers and buy a horn. A campaign for membership in the organization reached into the remotest sections of the county.

Scales pointed out that the job to be done was a big one. It wasn't a task for any one group or clique but called for unification and co-operation from every citizen.

He pointed out that the lack of cooperation and unified action had been the main bar to progress and development and encouraged citizens to forget their petty differences and get-together for the advancement for all.

Discussing the word "co-operation", in a recent Chamber of Commerce bulletin, he says: "There is hardly a person in this county that does not consider himself or herself cooperative. It is always the other guy who will not cooperate. You and I are willing to cooperate. We can be counted on to go down the line with any one seeing eye-to-eye with us. The other guy, too, will cooperate with us if we agree with his ideas and are willing to play the game according to his notions."

"This is no co-operation", he continues. "Each little group or clique snugly maintains their individual position at the expense of the general welfare. If we persist in avoiding simple give-and-take cooperation, we cannot possibly achieve the results hoped for."

In a plain blunt statement of facts, Joe goes on to point out some of the immediate needs of the county. Discussing the lack of hospital facilities, he says: "We have been fortunately possessed with untiring efforts of superior doctors over many years. Our medical men cannot live forever, and we must realize our doctors are dying out without replacement. Can we remember when the last new practice was opened? Yet modern doctors will not practice unless hospital facilities are available and for 50 years we have failed to provide ourselves with a hospital. We cannot succeed after 50 years of failure by minor flurries of activity. It can only be done through a broad, strong county-wide organization with strength to do the job and determination to see it through, however hard and long the task."

Touching on the fact that 1,500 veterans of World War II are returning to Taylor County, he asks if Taylor is going to help them find jobs or encourage them through negligence to depend on government grant, dole and bonus. "Youth with leadership qualities we desperately need," he says, "has taken a look at the world outside Taylor County, and our stupidity and negligence is daily driving away the young men we need. Those with get-up and go, guts and backbone."

He warns that lean days will come again and urges citizens to prepare for them. "Fear gripped our hearts in the depression, but now we are riding high. Conditions are good, we're in a boom. But the higher we ride the futher we'll fall, the bigger the boom the greater the burst. Instead of selling down some of this easy money in preparation for lean days ahead, we are living in a fool's paradise."

He advocates the diversification of industry to maintain wage-earners when lumber prices tumble and mills shut down.

He summarizes: "Our future for the next 20 years will be mainly determined during the next two years, either by our activity or our inactivity. The Taylor County Chamber of Commerce has been formed so that we may rule our future as we see fit, rather than be ruled by fate's fickle finger."

Keep your eye on Taylor County, it will go some place under this type of leadership.

## 'Power Of Purpose' Attorney's Topic To 1946 Graduates

The 27 members of the Pahokee High School 1946 Senior Class became full-fledged graduates when they were presented with diplomas by Carmen Severson, Sr., School Board member, at the annual commencement exercises held Thursday evening in the high school auditorium.

Charles B. Fulton, West Palm Beach attorney, gave the commencement address, his subject being "The Power of Purpose." The speaker told the graduates that their future happiness and success in life depends largely on the intensity of their desires to do something worthwhile. When there is a purpose in one's work and goals to be reached, life becomes a rich experience and achievement an ever ending satisfaction, he said.

Principal D. D. Caudill made the

presentation of annual school awards. Out of the 18 awards to graduates, five were received by Nina Ruth Barwick as follows: Salutatorian medal for second highest scholastic average for four years, best all-round senior girl award, American Legion citizenship award for girls, Daughters of American Revolution award and general excellence in English award.

Other graduates receiving awards were Barbara Brown, valedictorian medal for highest scholastic average for four years and an award for the highest scholastic average for the 1945-46 school year; Jasper Reed, student activities award for boys; Betty Jean Wetherington, student activities award for girls; Lynn Walker, best all-round senior boy award and general excellence in history award; Ray Hawk, American Legion Citizenship award for boys and school band award; Louise Elarbee, Rotary Club essay contest award and school band award; Betty Unwin, Business and Professional Woman's Club commercial studies award; Kyle Hatfield, Denton award for best all-round athlete; Milton Carpenter, school band award.

Non-graduate awards also presented at the exercises included the Ross Blech Memorial award (\$10 in cash) to the best student in mathematics, won by Imogene Spivey and the United Daughters of Confederacy essay contest award (\$5 in cash and a medal), won by Harry Fremd.

The salutatory address was given by Nina Ruth Barwick and the valedictory, by Barbara Brown. Rev. J. Richard Heller gave the invocation and Rev. C. Richard Moore, the benediction. The exercises were preceded by a brief concert by the Pahokee High School Band under the direction of Bandmaster Robert O. Lampl. The band also played the processional and the recessional.

The Pahokee High School 1946 graduates: Maria Jones, Geraldine Fred, Nina Ruth Barwick, Betty Unwin, Mary Mullis, Jeanne Cruthirds, Marie Funderburk, Ruby Williams, Venera Weeks, Betty Jean Wetherington, Imogene Tillis, Lorena Morgan, Barbara Brown, Eva Louise Elarbee, Edna Cowart, Imogene Hough, Zona Gale Kimball, Betty Jean Woodyard, Gene Herring, Wilton Giddens, Ray Hawk, Lynn Walker, Basil Todd, Kyle Hatfield, Jasper Reed, Milton Carpenter and Carol Parker.

## Canal Point School Has Promotional Day Exercises

Promotional day exercises were held at the Canal Point School on Friday for sixth grade pupils who have successfully completed their work at the school and are now ready to enroll in junior high school.

Clarence Bowman, Okeechobee High School faculty member and recreational director, gave the promotional day address. Franklin Howell gave the welcome address; Joann Platt, the class history; Ada Tillman, the class prophecy; Mary Eleanor Jernigan, the class will and Hazel Altman, the farewell address. The sixth grade pupils joined in the singing of the commencement song and the class song and a sextet sang, "The Merry Life." Miniature diplomas were presented to the sixth graders by members of the first and second grades. Rev. Oliver Hatfield led the devotionals.

The sixth grade pupils promoted were Ada Tillman, Gloria Stuart, Joyce Shirah, Joann Platt, Joyce McCall, Mary E. Jernigan, Linda Cowart, Hazel Altman, Bobby White, Benny Thompson, Truman Riffey, J. Lee Suggs, Franklin Howell, Vernon Frady, Jean Hartley and Dorothy Lewis.

Mr. and Mrs. Rupert Mock, Mr. and Mrs. Lewis Friend, Mr. and Mrs. Thadd Whidden and Mrs. W. H. May returned Tuesday from a three-day trip to Havana, Cuba.

## Training Union Guests At Banquet

Members of the Pahokee First Baptist Intermediate Training Union were entertained at a banquet given by the Woman's Missionary Union in the Fellowship Hall Friday night. The hall was decorated for the affair as a garden setting, with a miniature picket fence, entwined with pink coral vine blossoms and fern, encircling the tables.

Rev. C. A. Moberg, acting as master of ceremonies, introduced Mrs. J. J. Carter of West Palm Beach, guest speaker, who gave a talk on "Garden Glimpses." Also on the program James Barnes presented "meditation moments"; Fay Gilbert and Margaret Powell, clarinet duet; Lee Shirley and Frank Gillis, trumpet duet; Barbara Wilkinson, vocal solo; Mrs. C. A. Moberg, vocal solo and Rev. C. A. Moberg, piano selections.

On the committee in charge of arrangements were Mrs. W. H. Key, Mrs. Rupert Mock, Mrs. Dave W. Young, Mrs. C. L. Shirley and Mrs. Ula Tillis. Plates were laid for 50 guests.

## June 10 Is Date For Pahokee Baptists Vacation School

The annual Vacation Bible School of the First Baptist Church of Pahokee will begin Monday June 10 and will continue through June 21. The registering program will begin Sunday June 9 in the Sunday School. Those of the other Sunday Schools may register on Monday. The graduation exercises will be conducted the night of Sunday June 23. A most cordial invitation is extended to all in this area through the Intermediate age. There will be no charge. The picnic will take place at the close of the school, presumably Friday June 21. The department superintendents are: Mrs. Claude Jones, Beginner Dept.; Mrs. W. Kemp, Primary Dept.; Mrs. M. Unwin, Junior Dept.; Mrs. C. A. Moberg, Intermediate Dept.

## Musical Treat By Sunny South Quartet

One of the finest musical treats in the history of this area was the concert presented by the Sunny South quartet, Tuesday evening, at the First Baptist Church of Pahokee. The varied program of solo and group selections with piano accompaniment of a masterful degree will not soon be forgotten by the "packed to the rafters" congregation that was fortunate enough to get into the building. It will be of interest and satisfaction to all of the plan of Rev. C. A. Moberg to present this quartet in a special program this Fall, under the auspices of the Pahokee P-T-A, of which he is the re-elected President.

## MEN'S BIBLE CLASS

The Pahokee Men's Bible Class continues to enjoy good attendance, and hopes to average fifty during the summer season. The Class Quartet will present its usual program of two numbers this Sunday, accompanied by the pastor, Rev. C. A. Moberg. The lesson "Friends at Bethany" as found in Mark 14:3-9, 38-42, will be presented. No communist hey-day is predicted before the return of Jesus for "ye have the poor with you always." The question of interest is "why the poor in this world of plenty?" A most cordial invitation is extended to all unfilled men of this community, visitors and service men, in and out of uniform. The class meets Sunday morning at 9:45.

## WOULD MODERNIZE OUR CONSTITUTION

W. at Tallahassee and the University of North Carolina. Mr. Sganga was recently discharged from the Army and is now attending Long Island University. The wedding will take place in the fall.

## UNION MEETS

Members of the Pahokee Baptist Women's Missionary Union conducted a business meeting at the church Monday afternoon with Mrs. J. C. Mock, president, presiding.

Mrs. F. G. Gillis, Sunbeam leader, announced that after the meeting on Friday afternoon, May 31, the Sunbeams will be disbanded until fall. Mrs. Mock reported that a WMU quarterly district meeting will be held in Delray Beach on July 25. Mrs. Stella Mullis led in prayer.

## NEW SERVICE

TAMPA—The Eastern Air-Lines announced this week that service would start immediately including air passengers, mail and express, between Tampa and San Juan, Puerto Rico. The announcement came in the form of a wire from Capt. Eddie Rickenbacker to Mayor Curtis L. Hixon. The civil aeronautics board recently granted National Airlines permission to operate between Tampa and Havana, Cuba.

R. L. Odum of Marion, Ill., arrived Tuesday to join his wife and daughter in Pahokee where they have been visiting her parents, Mr. and Mrs. E. E. Coleman, for the past two weeks. They plan to return to their home in Illinois today.

## BOARD OF THANKS

Words are too feeble to express our sincere thanks to our many dear friends and neighbors in Pahokee and throughout the Glades, who so faithfully stood by us during the long months of illness and death of our husband, father and stepfather, W. A. Maxey. Also for the many beautiful floral offerings. Please remember that each prayer, kind word, or deed was deeply appreciated. May God richly bless each of you.

Mrs. W. A. Maxey  
and family.

Mr. and Mrs. Jess Walton had as guests the past week their son, Jake M. Walton of Orlando and their granddaughter, Miss Jean Egger of West Palm Beach.

## NEW FLIGHT TIME

WEST PALM BEACH—Plantation Air Lines early this week announced changes in its daily flight from Miami that will allow passengers making a round trip to Tampa an extra hour in Tampa. Morning flights will leave Miami at 7:50 a. m. with stops at West Palm Beach at 8:35 a. m., Clewiston 9:10 a. m., Fort Myers 9:35 a. m., Arcadia 10:20 a. m. and arriving in Tampa at 10:57 a. m.

The return flight to Miami will make the same stops on its present schedule, leaving Tampa at 2 p. m. Passengers from other points will thus have three hours in Tampa for business or shopping. President Sam Collier said the change was made to improve conditions and in response to suggestions from passengers.

## 14th Baptist Article Of Faith "Baptism and the Lord's Supper"

"We believe that Christian Baptism is the immersion in water of a believer, into the name of the Father, and Son, and Holy Ghost: to show forth in a solemn and beautiful emblem, our faith in the crucified, buried, and risen Saviour, with its effect, in our death to sin and resurrection to a new life; that it is prerequisite to the privileges of a church relation; to the Lord's Supper, in which the members of the church by the sacred use of bread and wine, are to commemorate together the dying love of Christ; preceded always by solemn self-examination."

## POLICE TRAFFIC SAFETY CHECK

Let's be honest, now . . . remember, your own safety and that of your family depend on the way you drive.

| YES NO  | YES NO   | YES NO   |
| <input type="checkbox"/> 1. Do you always signal before turning or coming to a stop (never play guessing games with the driver behind you)? | <input type="checkbox"/> 4. Do you obey traffic lights—even when you're in a hurry?                | <input type="checkbox"/> 8. Do you know and observe the rules of the road in your community? (Frankly, now, have you ever looked them up?) |
| <input type="checkbox"/> 2. Do you always come to a full stop at a stop sign (never coast through)?   | <input type="checkbox"/> 5. Do you drive in and turn from the proper traffic lane?                 | <input type="checkbox"/> 9. Do you keep alert when driving—watch traffic?  |
| <input type="checkbox"/> 3. Do you give the pedestrian a break even though he may not have the right of way? (You walk, too.)               | <input type="checkbox"/> 6. Do you refuse to drink before driving? (Think, now, before answering.) | <input type="checkbox"/> 10. Do you drive within the speed limits—never yield to the temptation to do a little "low altitude flying"?      |
| <input type="checkbox"/> 7. Do you drive with extra caution in fog, rain or snow and on wet or icy pavement?                                |  |  |

10 "YES" answers—Are you really that good?

8 to 10 "YES" answers—Good driving. We need more of you!

6 to 8 "YES" answers—Fair driving. You must improve.

Less than 6 "YES" answers—Poor driving. You're headed for trouble; possible injury and serious financial loss!

P. S. Take another look at your score. Would your family and friends rate you the same?

Seriously, don't you wish when you and your family are on the streets that all drivers could truthfully answer "Yes" to all ten questions? Of course you do—and the next driver feels the same way about it. So start today to improve your score.

## CHECK YOUR CAR!

These are the mechanical features that will be examined in the Police Traffic Safety Check:

- BRAKES**—Do they need adjustment? How about the hand brake?
- LIGHTS**—Do any bulbs need replacing? Are headlights properly focused and aimed? Are tail and stop lights in good condition?
- TIRES**—Are they all in safe condition? (No cuts, fabric breaks, excessive wear?)
- WINDSHIELD WIPERS**—Do they operate satisfactorily? Do blades need replacing?
- HORN**—Does it operate easily and when you need it?

Are there any other safety items that need attention, such as steering, defects in glass, rear view mirror, muffler, etc? (Have these checked regularly.)

## CLASS PARTY

The "Teen-Agers" class of the Pahokee Church of the Nazarene, taught by Mrs. Depere, held their second class party at the home of Nina and Ina Russom. The president, Gwen Gant, was in charge of the business after which games were played. Other officers of the organization are: Billy Ray Mosley, vice president; Vonn Ell Davis, secretary; James Brady, treasurer. There were 20 in attendance. Delicious refreshments were served by the hostess.

Sidney Catts Named  
Roebuck's Assistant

Sidney J. Catts, jr., son of the late World War I governor of Florida, was sworn in as assistant county solicitor in Criminal court Tuesday.

The action came a few hours after the grand jury, reporting 88 active cases in the court files, 27 of them six months old, had recom-

mended assistance for both County Solicitor W. E. Roebuck and State Attorney Phil O'Connell.

But the announcement about Catts gave no indication of any relation between the two developments. Court records included a letter from Roebuck to Judge E. G. Newell in which Roebuck himself, under authority of a 1941 law, appointed Catts as assistant. Court employees understood Roebuck and his son and daughter were going on a trip.

## TENT CITY

GAINESVILLE—A tent city on the campus of the University of Florida has been the home all this week of 250 of Florida's leading 4-H club boys at their 27th annual short course.

R. W. Blacklock, boys' club agent with the state agricultural extension service, is in charge of the course which opened Monday with 40 counties to the state represented.

## GOOD WILL TOUR

LAKELAND—An event in the annals of education will be experienced by a class of 50 Florida students, who, under the auspices of Florida Southern College at Lakeland, will combine a "good will" tour with a thirst for knowledge during this year's Summer school session.

The group will leave for Guatemala to spend a month sampling the customs, heritage, beauty and knowledge in Central America's "Land of the Maya". Headquarters for the school sessions will be Antikua, ancient capital city.

Founder of the new educative feature is Dr. Ludd M. Spivey, president of Florida Southern, who spent the summer of 1945 in Guatemala completing arrangements.

ers who had fields of lima beans and tomatoes going to waste, said, "Help yourself to all you want," and the Canal Point children went to work. On Tuesday they flocked to the fields and started picking the vegetables. At the school Mrs. Hatfield and her 4-H girls and several mothers of the children started preparations for canning. Miss Bertha Hausman and Mrs. Michaud, County Home Demonstration agents, brought over canning equipment from West Palm Beach and joined in the work. Several bushels of vegetables were processed Wednesday afternoon and the work continued all through Thursday of this week.

Children taking part in this humanitarian project include Norman Coleman, Buddy Parker, Charles Griffith, Tommy Burns, Hal Rosenberg, Gene Conner Oulda Dixon, Rozelle Dixon, Joe Parker, Wanda Scott, Barbara Scott Frances Wilson, Bonnie Miller, Bernard Yates, Harkness Duncan, Jackie Sims, Gloria Stuart, Ada Tillman, Franklin Howell, J. Lee Suggs, Benny Thompson and Joann Platt. Hats off to these children and to Mrs. Hatfield and the other adults whose joint efforts made this good work possible.

Next Monday a house to house canvass will be started to raise the remainder of the 1946 budget for the Community Chest. Will you help?

## City Council Has Busy Evening Of Serious Business

Morris H. (Frock) Baxter told this newspaper Thursday afternoon that he had declined appointment as a member of the Pahokee police department.

Pahokee's new city council met again Tuesday night in regular session—this time with one of the new members—Frank M. Shaughnessy—absent. New Members Lair and Hillier were in their spots at the big table as were Councilmen Mackey and Geiger. A vast amount of important business was attended to and more plans made for smoother operation of the city in the future.

Chief of Police Altman Morgan recommended that James E. Batchelor, patrolman, be replaced by Morris (Frock) Baxter. Mr. Batchelor was given two weeks notice with pay and should he find another job in the meantime he will be allowed to discontinue his services at that time. Mr. Baxter goes to work at \$195 per month.

Councilman Victor Geiger made a motion that Ex-Chief Albert Gant be given two weeks extra pay as a vacation gesture by the council. The motion passed and City Clerk Walker will issue Mr. Gant a check for \$100.00.

John T. Pickett, engineer, was engaged by the city to establish boundary on West Main street in order that property owners, who so desire, may build new homes. Mr. Pickett will also establish grade levels throughout the city. Permission was granted the Boy Scouts to use city property on Bacon Point road measuring—200x320—for recreation grounds. The Scouts hut is located on the same tract. A bill for \$1500 was presented by Chief Morgan for radio equipment for the police department. The \$1500 covers a small broadcasting station and two receiving sets for the two patrol cars. The council authorized purchase of new Venetian blinds for the two rooms in the city hall to be used for the radio equipment.

The council authorized \$100 in cash to buy playground equipment for the recreational park on Bacon Point road. The money will be used to buy small equipment such as soft balls, bats, etc., it was pointed out by Recreation Director Steve Brown.

Marvin Cowart, superintendent of streets and sidewalks and building inspector, who has been receiving \$45 weekly received a boost in his pay—up to \$60 per week. The council agreed to stand expense of sending R. J. Schroder of the waterworks to the University of Florida June 5, 6, 7, to attend an extension course for waterworks workers. It was pointed out that Mrs. W. J. Larrimore is to be retained as city librarian.

Mayor T. C. Richardson appeared before the council with further recommendations. He sought co-operation of the group in extending fire limits in the area south of the Belle Glade road. He also asked that definite plans be made to carry out installation of sewerage and suggested a concern for the council to contact to get plans underway. The council took his two suggestions under advisement and will act on them officially at the next meeting.

Howard Holman of the Veterans Progressive Organization told the council of clean-up plans and asked co-operation of the city group which was promised.

Mrs. J. B. Cruthird returned to her home in Pahokee on Thursday of last week from Good Samaritan Hospital, West Palm Beach, where she was taken recently for medical treatment and observation.

The Pahokee-Canal Point Community Chest wants and needs your help to complete the 1946 budget. Monday workers will call on you. Will you do your part?

## Cinematic Chatter

By Malcolm Millar

The Sunday-Monday screening at the Prince Theatre brings one of the most talked about pictures produced in some time. This picture is "The Diary of a Chambermaid," a story that brings forth some revelations with such spice and gusto that make this picture a "must" in any cinema fans "daily reminder."

In the top starring role is Paul-ette Goddard, contributing a gay and charming portrait as Celestine, the chambermaid. Burgess Meredith, whom we have always regarded as a romantic actor, delivers such a fine piece of character work in this piece, as to place him at the top as a high ranking character actor.

Tuesday - Wednesday brings Deanne Durbin and Ralph Bellamy as co-stars in "Lady on a Train," which is one of the most baffling mysteries of a "murder-on-a-train" that you have squirmed through in some time. An imposing cast of some of the leading feature artists of Hollywood lend their talents in making this a very memorable experience for you.

On the same bill comes another clever show that you won't want to miss. "Hold that Blonde" with Eddie Bracken and "petite" Veronica Lake in starring roles. Veronica is seen as an unwilling jewel thief in the show who runs across the path of Bracken, and he falls in love with her. The action comes fast and furious from that point on. With Bracken and Lake starring together you are assured of one of the most hilarious nights at the theatre you have experienced since "Morgans Creek."

Thursday-Friday Joan Crawford, with Jack Carson and Zachary Scott as her leading men and an imposing cast of featured players headed by Eve Arden present "Mildred Pierce," a story filled with drama, just suited to the dramatic talents of Miss Crawford.

Saturday the usual "double featured program" is headed by Boris Karloff in "Tale of the Dead" which is a horror picture designed to "ice your spine." The western show stars Bob Mitchum, an up-and-coming young Western actor and lovely Barbara Hale in "West of the Pecos," a Zane Grey story.

See you at the movies—Mal.

## Would Recall U. S. Sen. Claude Pepper

ORLANDO—James G. Horrell, Orange County legislator, early this week issued the following statement:

"After listening to Senator Claude Pepper's disgraceful radio outburst against the President of the United States, following President Truman's address to congress, calling for restrictive labor legislation, in which the Senator virtually called the president a liar, I am thoroughly convinced that Senator Pepper no longer represents the feelings or opinions of the people of Florida.

"Accordingly, I shall at the next session of the legislature introduce a joint resolution memorializing the Senate of the United States to expel Senator Pepper from that body on the grounds that his public statements and actions conclusively show that he is committed to political philosophies utterly contrary to the principals upon which the government of the United States was founded, and that he is for that reason so odious to the citizens of Florida that they cannot longer tolerate his misrepresentation of them.

"I shall at the time introduce a resolution proposing an amendment to the Constitution of the State of Florida providing that the people of this State may, by the mechanism of recall, withdraw from the Senate of the United States or from the national House of Representatives any member who ceases to represent the true wishes, feelings and desires of the people of the State of Florida."

## HOME WAR

William C. (Billy) DeLoach, Jr., fireman 1-c, received his discharge from the Navy at the Jacksonville Navy Base on Thursday of last week after two years in the service and 15 months of overseas duty in the Pacific area. Billy was wounded in action off Okinawa. He has the Purple Heart medal and two battle stars on his ribbons. He arrived at the home of his parents, Mr. and Mrs. W. C. DeLoach, Sr., in Pahokee last Friday and plans to enter Pahokee High School next fall for a post-graduate course, following which he will enroll in Georgia Tech.

William Weathers, seaman 1-c, was recently released from the Navy after a little over a year in the service and eight months of overseas duty in the Philippine area. He is now visiting his brother-in-law and sister, Mr. and Mrs. Bobby Shackford, in Pahokee.

It's Civilian J. W. (Sweetpea) Jones today and has been since the 16th of May. Lt. Jones received his discharge at Camp Shelby, Miss., and arrived in Canal Point at the home of his mother a few days ago. He arrived in the States from Japan on May 11 after 28 months service overseas. During the 26 months overseas "J. W." spent some time on Guadalcanal, Luzon and finished up in Japan proper. He wears a flock of ribbons, among which are: the American theatre of Operations, the Asiatic-Pacific ribbon, two battle stars, the Victory medal, Occupation ribbon, Philippine Liberation ribbon. After a couple of weeks of honest-to-goodness loafing he plans to take up diesel engineering under Uncle Sam's tutelage through the G. I. Bill of Rights.

## GETS LICENSE

Vinson Henderson received his private pilot's license this week after a flight test at Lantana airport. Mr. Henderson was a student of the Glades Aviation company, headed by W. E. (Bill) Golden in Pahokee.

# LONG DISTANCE CALLS ARE STILL INCREASING

The volume of Long Distance calls keeps right on growing. Between towns and cities only a few miles apart, folks are making one-fifth more calls to-day than during the peak of the war-time load.

As a result of this postwar rush of short-haul calls there is likely to be some delays on calls to nearby points until the necessary materials can be obtained and additional circuits provided to relieve congestion.

In the meantime, everything possible is being done to handle all calls promptly.

## Plans Progress On Vetville Homes Off Barfield Road

Claude Jones, head of the local Veterans Service office, reports rapid progress in the making of arrangements for the erection of 48 modern homes for veterans on a 13½-acre tract of land one block east of Barfield Highway opposite Lair Athletic Field. Originally it was planned to purchase 10 acres of land and divide it into lots for 32 to 36 homes, however, so many veterans expressed their desire to build homes that 3½ additional acres were purchased and the whole divided into 48 lots averaging 75 by 125 feet in size.

The veterans who have agreed to purchase the lots and build houses on them with GI loans are now negotiating with Don Hillier and Sons, local contractor, for a contract to build the entire 48 buildings. Architects William Manly King and William F. Brown of West Palm Beach are each preparing plans for 24 of the houses and the financing is being arranged through C. R. Dorsey and Lynn S. Nichols of West Palm Beach.

Arrangements for the purchase of the land from the Okeelanta Plantation Company, represented by J. L. Chapman of West Palm Beach, were made by the Veterans Lots and Homes Committee composed of veterans, civic club representatives and leading citizens, with John A. Dulany acting as chairman. The streets and sidewalks will be constructed by the purchasers of the lots in cooperation with the city which has authorized the spending of up to \$2,000 to cover the expense of hauling rock and other materials for the streets.

Work is expected to start on the streets as soon as a plat of the new subdivision is submitted to the city council for approval.

The average cost of the homes to be built is expected to be approximately \$7,500. After the contract is let and the loans are approved, work is expected to start on the houses as soon as materials can be obtained.

## Barbara Dalton Wins Poetry Contest

Barbara Dalton, grand-daughter of Mr. and Mrs. Joe Crosby in Pahokee recently won a poetry contest in her school in Memphis, Tenn. Barbara attends Fair View Junior high school. The school paper has the following to say about Barbara: "Her poem won over hundreds of others sent in. Besides being a talented poet Barbara is a splendid singer. She is in many school activities." Barbara's poem follows:

**A WORLD OF BEAUTY**  
A world of beauty surrounds us all.  
In things we hear; a soft-foot-fall.  
Sounds of music, sweet and low,  
In the quiet of evening, in sunset's glow.

In the songs of a choir on Sundays holy,  
Triumph notes coming fast, then slowly.

In the silvery tinkle of a water fall,  
In the forest deep, nature's spacious hall.

In the gossiping chatter of rain on the roof.

In the laughter of neighbors; lives warp and woof.

In the murmured whispers of talkative trees,

In the notes of a thrush, borne on the breeze;

In the lazy twitter of sleepy birds.

In the sound of lovers soft-spoken words.

Not only is there beauty in things that we hear;

There is beauty in things that around us appear.

A world of beauty surrounds us all.

In the white-velvet quiet of a new snowfall,

In the coming of spring, in the early flowers,

In the rosy glow of the dawn's first hours.

In the glorious splendor of mountain peaks,

In graceful willows shading quiet creeks;

In the mellow richness of an ivy-clad wall.

In the gay-colored dresses of leaves in the fall.

In the waving yellow sea of wheat, growing golden in the heat.

In ocean white-caps on curving beaches,

In the lessons of life that Nature teaches.

In little white churches, amid the peace and rest

Of lonely crosses, on a green hill crest.

Ah, yes, a world of beauty surrounds us all,

But the beauty of love is the best of all.

## Cub Scouts Deliver Circulars In Pahokee

The Veterans Progressive Organization this week put out a couple of thousand circulars calling attention of the public to the necessity of cleaning up all garbage immediately. The VPO wants to thank 14 members of the Cub Scouts for assisting in delivering the circulars to every house in Pahokee. The Cubs went to work on three hours notice and did a thorough job. VPO workers said that the Cubs didn't miss a house in the Pahokee-Canal Point area.

# CLEAN UP!

Let's Not Have A Polio Epidemic

There Is **DANGER** In This Area

Get All Trash, Garbage, Wrecks,  
Bottles, Cans, Rags Ready  
For Collection

**-- Cut Weeds and Grass --**

The State, County, and Local Health Authorities, the Florida Hotel Commissioner will join the Pahokee Police Department in search of unsanitary conditions in this area this weekend in order to prevent a possible epidemic of polio in our town.

Polio HAS ALREADY GOTTEN A START HERE; and now it is up to you to clean up the town until it is spotless in order to prevent the crippling and possible death of our fellow citizens and our children. It is now up to the people to clean up and use all preventive precautions possible.

Our City Officials have started the ball rolling by having our community sprayed with DDT. They have doubled and redoubled their efforts relentlessly to preserve the health of our community.

The least WE can do will be to cooperate to our fullest extent towards a cleaner and better Pahokee.

The Sanitary Commission does not wish to close any business unnecessarily; and will not do so unless it is in the interest of the Health of the PUBLIC. However; they have the power to close any establishment THAT IS UNSANITARY; and WILL DO SO if those places have not cooperated. The City has the power, IF NECESSARY, to clean up any lot that has not been cleaned up, at the owners expense, and will do so only after the owner has refused to clean up, and if the lot is considered detrimental to the public health.

All the Civic organizations are cooperating wholeheartedly, backing this program to their fullest extent.

**Won't You Do Your Part**  
**Let's Wash Pahokee's Face!**

This Message Sponsored by—The Veterans Progressive Organization, and ALL Civic Organizations working in conjunction with the Pahokee City Officials.
